From the Mayor

Hello Residents,

Happy New Year! The year has definitely arrived with a blast of snow and cold temperatures!! Please call our police department or me at the numbers listed above if you are in need of assistance. You may call my cell phone number: 440-283-9737 or the police car number: 440-796-3364, also.

Please consider getting involved in our community this year. A position is open on the Planning Commission. Please contact the Village Hall at: 440-259-4994 or secretary@northperry.org for additional information or to be considered for appointment to this committee.

The Council and I have been able to tighten the budget this year for a savings of approximately \$600,000. The 2018 budget is approximately \$500,000 less than the 2017 budget. We are working hard to provide services to our residents in a cost effective way.

Sincerely,
Ed Klco
