## From the Mayor

Hello Residents,

How many of us say we embrace change? I know from experience that I usually like the comfortable and familiar.

We are going to be experiencing change this summer at our Townline Park. There are changes I am sure you have noticed at the entrance to the park. With the east groin removed, our harbor has experienced change.

One change I am comfortable with is my confidence in Chris Hazel and Josh Pinkney as park supervisors. They have been trained by the best! Thank you Chris and Josh for taking on the extra responsibilities.

Sincerely,

Sincerely,  
Ed Klco

Recycle Quote: Plastic bags and other plastic garbage thrown into the ocean kill as many as 1,000,000 sea creatures every year.

## PARK NEWS

Council has decided to implement a watercraft pass system beginning this year. The purpose of this system is to better manage the use of the harbor and ensure safety. The pass system will work in the following manner:

- North Perry residents with any type of watercraft must register in advance at the North Perry Village Hall.
- The cost for registration is **\$10 per watercraft**.
- The resident needs to bring the registration for their watercraft, the type of watercraft and a basic description of the watercraft.
- The resident will be issued a mirror hanger tag that will be hung in their vehicle each time the watercraft is brought to the park.
- The registration process and distribution of the hanger tags will begin May 1st.
- Registration of watercraft is required annually.

A major change from the past is that **no visiting watercraft will be allowed**. Residents may bring visitors to the park **but not the visitor's watercraft**.

### THE POOL OPENS MAY 27, 2017, AT 11:00AM

Swim lessons will be held on Mondays and Wednesdays from June 5-28<sup>th</sup>. Please call (440)259-2133 to register your child for lessons or sign up at the pool May 27-June 4, 2017.

Park passes were deactivated on December 30, 2016.

Reactivating your pass will require the following:

1. Stop in at the Village Hall to fill out a form for 2017.  
Bring your Park Pass with you.
2. Show proof of residency

3. Pay a Ten Dollar fee (\$10) per pass
4. To replace a lost pass, the fee is Twenty Dollars (\$20)

Village Hall hours are from 9:00am to 5:00pm Monday-Friday. The Village Hall is open until 6:30pm on the first and third Thursday of the month. Updated 2017 passes must be activated for access to the park.

Dear Mayor, Council, Co-workers and Residents,

I would like to thank the residents of NPV that I have had the pleasure of serving for the past 32 years. As the first full-time employee that NPV hired. I have seen quite a few changes at the park and within the community.

In this new era of change, I just want to say that I have the upmost confidence in Josh and Chris to lead the park in a positive direction. We have worked so well together over the past several years and have proven to be a great team. I wish them the best with the upcoming park season.

I would like to thank the Mayor and Council members that have given their support, advice and many times a listening ear. Your time and efforts are very much appreciated.

I have gained many life experiences by working here. The friendships that have developed by associating with some wonderful people will be maintained in the next phase of my life.

Sincerely,

Jo Bailey
