

ORDINANCE NO. 16-16

ORDINANCE AMENDING SECTION 173.091 (RETURN AND PAYMENT OF TAX) OF THE CODIFIED ORDINANCES OF THE VILLAGE OF NORTH PERRY, OHIO AND DECLARING AN EMERGENCY.

WHEREAS, the Village of North Perry has determined that it is desirable and necessary to amend Section 173.091 of the Codified Ordinances of the Village of North Perry in order to allow said Section to remain consistent with recent Amendments to the Ohio Revised Code.

NOW THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE VILLAGE OF NORTH PERRY VILLAGE, COUNTY OF LAKE AND STATE OF OHIO, AS FOLLOWS:

Section 1. Section 173.091 of the Codified Ordinances of the Village of North Perry is hereby amended to read as follows:

173.091 RETURN AND PAYMENT OF TAX

- (A) (1) An annual return with respect to the income tax levied on Municipal Taxable Income by the Municipality shall be completed and filed by every taxpayer for any taxable year for which the taxpayer is subject to the tax, regardless of whether or not income tax is due.
- (2) The Tax Administrator shall accept on behalf of all nonresident individual taxpayers a return filed by an employer, agent of an employer, or other payer located in the Municipality under subsection 173.051(C) of this Chapter when the nonresident individual taxpayer's sole income subject to the tax is the qualifying wages reported by the employer, agent of an employer, or other payer, and no additional tax is due to the Municipality.
- (3) All resident individual taxpayers, ____ years of age and older, shall file an annual municipal income tax return with the Municipality, regardless of income or liability.
- (B) If an individual is deceased, any return or notice required of that individual shall be completed and filed by that decedent's executor, administrator, or other person charged with the property of that decedent.
- (C) If an individual is unable to complete and file a return or notice required by the Municipality in accordance with this chapter, the return or notice required of that individual shall be completed and filed by the individual's duly authorized agent, guardian, conservator, fiduciary, or other person charged with the care of the person or property of that individual. Such duly authorized agent, guardian, conservator, fiduciary, or other person charged with the care of the person or property of that individual shall provide, with the filing of the return, appropriate documentation to support that they are authorized to file a return or notice on behalf of the taxpayer. This notice shall include any legally binding authorizations, and contact information including

name, address, and phone number of the duly authorized agent, guardian, conservator, fiduciary, or other person.

(D) Returns or notices required of an estate or a trust shall be completed and filed by the fiduciary of the estate or trust. Such fiduciary shall provide, with the filing of the return, appropriate documentation to support that they are authorized to file a return or notice on behalf of the taxpayer. This notice shall include any legally binding authorizations, and contact information including name, address, and phone number of the fiduciary.

(E) No municipal corporation shall deny spouses the ability to file a joint return.

(F) (1) Each return required to be filed under this section shall contain the signature of the taxpayer or the taxpayer's duly authorized agent and of the person who prepared the return for the taxpayer, and shall include the taxpayer's social security number or taxpayer identification number. Each return shall be verified by a declaration under penalty of perjury.

(2) A taxpayer who is an individual is required to include, with each annual return, amended return, or request for refund required under this section, copies of only the following documents: all of the taxpayer's Internal Revenue Service form W-2, "Wage and Tax Statements," including all information reported on the taxpayer's federal W-2, as well as taxable wages reported or withheld for any municipal corporation; the taxpayer's Internal Revenue Service form 1040; and, with respect to an amended tax return or refund request, any other documentation necessary to support the refund request or the adjustments made in the amended return. An individual taxpayer who files the annual return required by this section electronically is not required to provide paper copies of any of the foregoing to the Tax Administrator unless the Tax Administrator requests such copies after the return has been filed.

(3) A taxpayer that is not an individual is required to include, with each annual net profit return, amended net profit return, or request for refund required under this section, copies of only the following documents: the taxpayer's Internal Revenue Service form 1041, form 1065, form 1120, form 1120-REIT, form 1120F, or form 1120S, and, with respect to an amended tax return or refund request, any other documentation necessary to support the refund request or the adjustments made in the amended return.

(4) A taxpayer that is not an individual and that files an annual net profit return electronically through the Ohio business gateway or in some other manner shall either mail the documents required under this division to the Tax Administrator at the time of filing or, if electronic submission is available, submit the documents electronically through the Ohio business gateway or a portal provided by Municipality. The department of taxation shall publish a method of electronically submitting the documents required under this division through the Ohio business gateway on or before January 1, 2016. The department shall transmit all documents submitted electronically under this division to the appropriate Tax Administrator.

(5) After a taxpayer files a tax return, the Tax Administrator shall request, and the taxpayer shall provide, any information, statements, or documents required by the Municipality to determine and verify the taxpayer's municipal income tax liability. The requirements imposed under division (F) of this section apply regardless of whether the taxpayer files on a generic form or on a form prescribed by the Tax Administrator.

(6) Any other documentation, including schedules, other municipal income tax returns, or other supporting documentation necessary to verify credits, income, losses, or other pertinent factors on the return shall also be included to avoid delay in processing, or disallowance by the Tax Administrator of

- undocumented credits or losses.
- (G) (1) (a) Except as otherwise provided in this chapter, each individual income tax return required to be filed under this section shall be completed and filed as required by the Tax Administrator on or before the date prescribed for the filing of state individual income tax returns under division (G) of section 5747.08 of the Ohio Revised Code. The taxpayer shall complete and file the return or notice on forms prescribed by the Tax Administrator or on generic forms, together with remittance made payable to the Municipality or Tax Administrator.
- (b) Except as otherwise provided in this chapter, each annual net profit income tax return required to be filed under this section by a taxpayer that is not an individual shall be completed and filed as required by the tax administrator on or before the fifteenth day of the fourth month following the end of the taxpayer's taxable year or period. The taxpayer shall complete and file the return or notice on forms prescribed by the tax administrator or on generic forms, together with remittance made payable to the Municipality or Tax Administrator.
- (c) In the case of individual income tax return required to be filed by an individual, and net profit income tax return required to be filed by a taxpayer who is not an individual, no remittance is required if the amount shown to be due is ten dollars or less.
- (2) If the Tax Administrator considers it necessary in order to ensure the payment of the tax imposed by the Municipality in accordance with this chapter, the Tax Administrator may require taxpayers to file returns and make payments otherwise than as provided in this section, including taxpayers not otherwise required to file annual returns.
- (3) With respect to taxpayers to whom Section 173.092 of this Chapter applies, to the extent that any provision in this division conflicts with any provision in Section 173.092 of this Chapter, the provision in Section 173.092 of this Chapter prevails.
- (H) (1) For taxable years beginning after 2015, the Municipality shall not require a taxpayer to remit tax with respect to net profits if the amount due is ten dollars or less.
- (2) Any taxpayer not required to remit tax to the Municipality for a taxable year pursuant to division (H)(1) of this section shall file with the Municipality an annual net profit return under division (F)(3) and (4) of this section.
- (I) (1) If any report, claim, statement, or other document required to be filed, or any payment required to be made, within a prescribed period or on or before a prescribed date under this chapter is delivered after that period or that to the Tax Administrator or other municipal official with which the report, claim, statement, or other document is required to be filed, or to which the payment is required to be made, the date of the postmark stamped on the cover in which the report, claim, statement, or other document, or payment is mailed shall be deemed to be the date of delivery or the date of payment. "The date of postmark" means, in the event there is more than one date on the cover, the earliest date imprinted on the cover by the postal service.
- (2) If a payment is made by electronic funds transfer, the payment shall be considered to be made on the date of the timestamp assigned by the first electronic system receiving that payment.
- (J) The amounts withheld for the Municipality by an employer, the agent of an employer, or other payer as described in section 173.051 of this Chapter shall be allowed to the recipient of the compensation as credits against payment of the tax

imposed on the recipient unless the amounts withheld were not remitted to the Municipality and the recipient colluded with the employer, agent, or other payer in connection with the failure to remit the amounts withheld.

(K) Each return required by the Municipality to be filed in accordance with this section shall include a box that the taxpayer may check to authorize another person, including a tax return preparer who prepared the return, to communicate with the Tax Administrator about matters pertaining to the return. The return or instructions accompanying the return shall indicate that by checking the box the taxpayer authorizes the Tax Administrator to contact the preparer or other person concerning questions that arise during the examination or other review of the return and authorizes the preparer or other person only to provide the Tax Administrator with information that is missing from the return, to contact the Tax Administrator for information about the examination or other review of the return or the status of the taxpayer's refund or payments, and to respond to notices about mathematical errors, offsets, or return preparation that the taxpayer has received from the Tax Administrator and has shown to the preparer or other person. Authorization by the taxpayer of another person to communicate with the Tax Administrator about matters pertaining to the return does not preclude the Tax Administrator from contacting the taxpayer regarding such matters.

(L) The Tax Administrator of the Municipality shall accept for filing a generic form of any income tax return, report, or document required by the Municipality in accordance with this Chapter, provided that the generic form, once completed and filed, contains all of the information required by ordinances, resolutions, or rules adopted by the Municipality or Tax Administrator, and provided that the taxpayer or tax return preparer filing the generic form otherwise complies with the provisions of this Chapter and of the Municipality's Ordinance or resolution governing the filing of returns, reports, or documents.

(M) When income tax returns, reports, or other documents require the signature of a tax return preparer, the Tax Administrator shall accept a facsimile of such a signature in lieu of a manual signature.

(N) (1) As used in this division, "worksite location" has the same meaning as in section 173.052 of this chapter.

(2) A person may notify a tax administrator that the person does not expect to be a taxpayer with respect to the municipal corporation for a taxable year if both of the following conditions apply:

(a) The person was required to file a tax return with the municipal corporation for the immediately preceding taxable year because the person performed services at a worksite location within the municipal corporation, and the person has filed all appropriate and required returns and remitted all applicable income tax and withholding payments as provided by this chapter. The tax administrator is not required to accept an affidavit from a taxpayer who has not complied with the provisions of this chapter.

(b) The person no longer provides services in the municipal corporation, and does not expect to be subject to the municipal corporation's income tax for the taxable year.

The person shall provide the notice in a signed affidavit that briefly explains the person's circumstances, including the location of the previous worksite location and the last date on which the person performed services or made any sales within the municipal corporation. The affidavit also shall include the following statement: "The affiant has no plans to perform any services within the municipal corporation, make any sales in the municipal corporation, or otherwise become subject to

the tax levied by the municipal corporation during the taxable year. If the affiant does become subject to the tax levied by the municipal corporation for the taxable year, the affiant agrees to be considered a taxpayer and to properly register as a taxpayer with the municipal corporation, if such a registration is required by the municipal corporation's resolutions, ordinances, or rules." The person shall sign the affidavit under penalty of perjury.

(c) If a person submits an affidavit described in division (N)(2) of this section, the tax administrator shall not require the person to file any tax return for the taxable year unless the tax administrator possesses information that conflicts with the affidavit or if the circumstances described in the affidavit change, or the taxpayer has engaged in activity which results in work being performed, services provided, sales made, or other activity that results in municipal taxable income reportable to the Municipality in the taxable year. It shall be the responsibility of the taxpayer to comply with the provisions of this chapter relating to the reporting and filing of municipal taxable income on an annual municipal income tax return, even if an affidavit has been filed with the tax administrator for the taxable year. Nothing in division (N) of this section prohibits the tax administrator from performing an audit of the person.
