From the Mayor

Hello Residents,

I hope you have enjoyed your summer. We have been experiencing some crisp cool mornings and evenings lately, giving us a preview of the autumn weather coming. With summer coming to a close, we have many things happening in the Village.

School is in session! Please be careful when driving to look out for the children getting on and off the school bus. Also, take special care as you see children playing after school hours.

The pool at the Townline Park closed on Labor Day at 6:00pm. The summer season flew by. Chris, Josh, and crew have worked hard to keep the park looking great. Many of you have enjoyed the park this summer with picnics, parties, and boating. Thanks to all for their hard work, so we may enjoy the park.

Spectrum is going all digital beginning September 12, 2017. If you have questions regarding this transition, please call the Village Hall.

Sincerely,
Ed Klco
